

## **Dances With Films Comes of Age at 21 Years With A Bigger, Badder and Bolder Lineup of Vibrantly Independent Films**

*The unstoppable festival, for over two decades a champion of independent filmmakers, takes reign over the TCL Chinese Theaters June 7-17 with more than 100 world premieres and nearly 40 west coast premieres as they announce the selections for it's 21st annual slate. Dances With Pilots (TV & Web) and Dances With Kidz! (films made for kids and BY kids) will be released next week.*

**LOS ANGELES, CA (May 10, 2018)** – The fiercely independent film festival Dances With Films (DWF) announced today its 2018 lineup of narrative and documentary features and short films for its 21<sup>st</sup> annual edition. Opening the festival on June 7 is the DWF alumni driven drama directed by William Dickerson, *NO ALTERNATIVE* in its World Premiere starring Kathryn Erbe, Michaela Cavazos, Conor Proft, Chloe Levine and Harry Hamlin. *THE BEST PEOPLE*, a comedy written and produced by Selina Ringel and directed by Dan Levy Dagerman, closes the festival with its DWF premiere on June 17. Tickets and passes will be available for sale May 18<sup>th</sup> at <http://www.tclchinesetheatres.com/> or thru the festival's own site: <https://danceswithfilms.com>. A complete listing of additional films and screenings are also listed on the festival website.

The festival, proving itself to be unstoppable after 21 consecutive years, is widely recognized as the premiere showcase of innovative independent cinema in the U.S., presenting amazing, undiscovered talent to an industry audience in Hollywood. DWF will run June 7-17, 2018 in Los Angeles, CA at the TCL Chinese Theaters, located at: Hollywood & Highland, 6801 Hollywood Blvd, Hollywood, CA 90028.

"We consider ourselves a true festival of discovery," said festival co-founders Leslee Scallon and Michael Trent. "We have always been progressive and have always looked to the future for our inspiration. Turning 21 is a milestone to us. In every other culture there is a 'rites of passage', but in the U.S., it's turning 21. We have thrived, transitioned and evolved along the way. DWF is unique in the fact that we are not a celebrity-driven festival. Everyone in the festival has to bring their A-game."

The final lineup will feature more than 200 titles, chosen from a record 2,200 submissions from all over the globe. The juried narrative competition section includes 16 features and more than three-dozen shorts. DWF also has a category for groundbreaking short and feature documentaries, provocative genre fare in the Midnight section, and the most exciting music videos and dance-themed films from the indie scene in the Downbeats section. The Fusion section brings together a multitude of additional features and shorts.

Notable Dances With Films alumni who first gained notice at the festival include: **Gina Rodriguez, Bryan Cranston, Will Scheffer, Mark V. Olsen, Jesse Eisenberg, Mike Flanagan, and John Hawkes**, among many others.

### **About Dances With Films**

In 1998 DWF began as a film festival dedicated to finding tomorrow's talent today and continues to carry on this mission today. With many World and West Coast Premieres, DWF provides a coveted first stop on the festival circuit. With a vast number of submissions, the selection process is based solely on merit and discoverability. DWF continues its dedication to and is a devoted champion of fresh and creative voices, mandating that all competitive films have no known actors, writers, directors, or producers. For the past 20 years, DWF has proudly provided access and opportunity to thousands of films and filmmakers from across the globe that diligently work year after year to see their dreams realized. With more than 12,000+ festival attendees and 2.5 million impressions per month on [www.danceswithfilms.com](http://www.danceswithfilms.com), DWF is loyal and dedicated to the indie filmmaker and is considered their champion in Hollywood.

DWF's Advisory Board includes: **Steve Tisch, Cindy Cowan, Jonathan Dana, Steve Elzer, Kevin Kasha, Eriq La Salle, Michael Lehmann, Mike Macari, Valerie McCaffrey, Mark V. Olsen, Joel Ordesky, Mark Ordesky, Melissa Orlen, Will Scheffer, Hilton Smith, David Spiegelman, and Steve Wegner.**
